MAKE A MAN A MENTOR, WHETHER HE'S A FATHER, A COACH, A SCOUTMASTER OR JUST A FRIEND AND YOU MAKE OUR NEXT GENERATION OF MEN BETTER. MAKE A MAN A MENTOR, AND YOU MAKE THE LIVES OF THE FUTURE WIVES AND CHILDREN MUCH BETTER. MAKE A MAN A MENTOR, AND YOU MAKE HIM A BETTER MAN. IF WE BESTOW A VISION OF AUTHENTIC MANHOOD TO THE NEXT GENERATION OF MEN, IMAGINE THE COMPOUNDED RETURN.

# SQUIRES2KNIGHTS MINISTRIES

MENTORING OUR TEENAGE BOYS

<http://MentoringOurBoysBooks.com>

Squire2Knights Ministries is networking with four other ministries to equip fathers, mothers, and mentors of all kinds as we raise our boys into Christ-centered manhood.

We are bestowing a vision of authentic manhood to the next generation of men!

Today's families, communities, churches and nation bear little resemblance to those of yesteryear. The onslaught of cultural changes has strained our society beyond its limits. Overwhelming evidence points to the vacuum of authentic manhood as a major cause of these issues. And with over half of our boys graduating high school without their father at home, the hope for the next generation of men is bleak.

Tomorrow's hope for authentic manhood rests in today's boys.

But most fatherless boys are missing out on the influence of a man.

And all of today's boys need men in their lives.

They need faithful men!

They need changed men!

They need men equipped to model, teach and mentor.

The following ministries will help you accomplish just that. For more, go to <http://actlikemen.org>
